On May 10, 1963, confidential informant [redacted]
advised that a letter has been sent to the [redacted]
of every Klan group known to be operating in the South.
This letter which is dated [redacted] reads as follows:

"A Resolution was unanimously adopted at
Biloxi, Apr. 6-7, 1963 to rededicate and re-form a
Ku Klux Klan in it's entirety and have only ONE
National Klan, under one head, as a militant organi-
zation. The one big objective is to go back to the
old Klan, as it was promulgated by the great Colonel
Simmons.

"The Hon. James R. Venable was chosen as
Chairman of a three-man Committee to effect this
adoption. Each bona fide Klan is to send three
delegates (voting) to this nationwide meeting, which
delegations may or may not include the actual head
of the Klan, at his pleasure.

"I am therefore calling this solemn meeting at
the Dinkler Plaza Hotel, in Atlanta, Sat. & Sun. -
May 25-26, 1963. I ask that each Klan head advise
me as soon as possible, just who are the persons chosen
to be your representatives, and who will elect a
National Board.

"This is the greatest step forward in many a
year for the Order. Instead of competing against
each other, as rivals in rival territories, we will
unite to impose our combined strength on the enemies
of America, and of the Klan.

National Knights of the Ku Klux Klan,
Majority Citizens League

PLANS FOR CONSOLIDATION OF ALL KLAN ORGANIZA-
TIONS UNDER NATIONAL IMPERIAL CONCILIMUM OF THE
KNIGHTS OF THE KU KLUX KLAN.

On April 11, 1963, [] advised that a resolution was unanimously adopted at the National Meeting of the Ku Klux Klan at Biloxi, Mississippi, on April 6-7, 1963, to re-dedicate and re-form a Ku Klux Klan in its entirety and have only ONE National Klan, under one head, as a militant organization. The new Klan would be based on the original constitution and Kloran of the Ku Klux Klan as it was promulgated by Colonel Simmons.

James R. Venable, Attorney, Atlanta, Georgia,
was chosen as Chairman of this committee.

On May 1, 1963, this informant advised that James R. Venable had called a committee meeting at the Dinkler Plaza Hotel, Atlanta, Georgia, Saturday and Sunday, May 25-26, 1963

NATIONAL KU KLUX KLAN

Each Klan is entitled to three delegates to this committee and it may or may not include the leader of each Klan, at his discretion.

[redacted] advised on May 28, 1963, that this committee met at the Dinkler Plaza Hotel, Room 370, beginning at 7:30 PM, on May 25, 1963. Representatives from only four Klans were in attendance at this committee meeting. The meeting on the evening of May 25, 1963, consisted merely of an exchange in discussion of ideas among various delegates as to the manner in which the consolidation of all of the Klans might be accomplished.

The committee was again called to order at 9:00 AM, Sunday, May 26, 1963, in the same room at the Dinkler Plaza Hotel. The delegates in attendance at this committee meeting were:

FEDERATED KLANS, ATLANTA, GEORGIA

James R. Venable, Chairman of the Committee

[redacted]

ASSOCIATION OF SOUTH CAROLINA KLANS

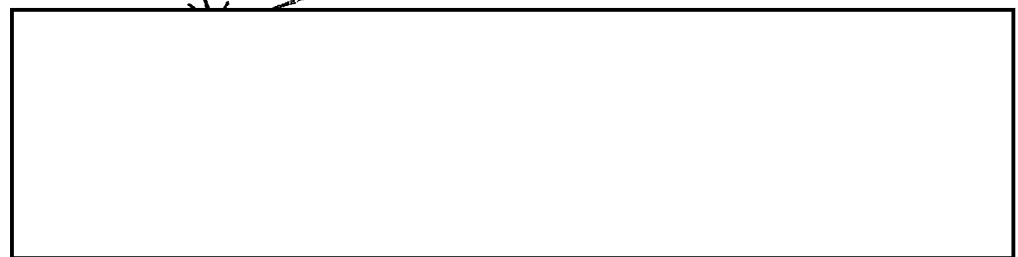

[redacted]

NATIONAL KU KLUX KLAN

ASSOCIATION OF GEORGIA KLANS

UNITED FLORIDA KU KLUX KLAN

Four motions were made by  and passed by the committee as follows:

1. The new organization shall be named the National Imperial Concilium of the Knights of the Ku Klux Klan. The Concilium will be made up of three permanent representatives from each Klan that becomes a member of the Concilium. These representatives will be appointed by their own organization to serve for a period of one year.
2. A letter shall be sent to the heads of all Klan organizations which are members of the National Ku Klux Klan giving them a rough outline of what took part in the names of the four Klan groups that laid the groundwork and each Klan shall report back to James R. Venable as to whether they will accept or reject this plan, and whether they will send representatives to the next meeting of this committee to be held on July 28-29, 1963, in Atlanta.

NATIONAL KU KLUX KLAN

3. All regular meetings at the National Imperial Concilium will be held in Atlanta, Georgia, except that special meetings of the Concilium may be held in other cities at the discretion of the Chairman. Atlanta, Georgia, will be the permanent headquarters of the Concilium.
4. The constitution and by-laws of the new group will be set up and a permanent chairman of the Concilium will be appointed for a term of one year at the next meeting on July 28-29, 1963.

All Klans having representatives present at this committee meeting and all Klans to be advised by letter of the proposed formation of the National Imperial Concilium, will have thirty days in which to advise James R. Venable as to whether they will accept or reject the proposed merger.

If the proposed national organization is accepted, those Klans desiring to join the proposed merger, will be invited to send their permanent representatives to the next meeting on July 28-29, 1963, at Atlanta, Georgia, to participate in setting up the constitution and by-laws in selecting a permanent Chairman of the Concilium.

This entire plan, the identities of the individuals members, and member-Klans, and the activities are to be "Top Secret".

If all goes well and the merger plans are accepted, the next meeting of the National Ku Klux Klan, which has been in existence for three years and reportedly has accomplished nothing in that period, to be held at Shreveport, Louisiana, will be the last meeting and James R. Venable will give his final report at that meeting.

NATIONAL KU KLUX KLAN

[redacted] Georgia, was present at the opening of the meeting on May 25, 1963, but immediately after the meeting was convened, made a statement that he had been asked to come up to get one or more of the heads of the various Klans in attendance at this meeting to come to a rally sponsored by United Klans of America, Inc., in Atlanta, that night and to make short public speeches.

[redacted] was criticized for planning a rally on a date that conflicted with this committee meeting which he knew had been scheduled. [redacted] said that the United Klans rally was scheduled prior to the scheduling of the committee meeting and the committee meeting was called without consulting [redacted] of the State of Georgia.

[redacted] left the meeting immediately thereafter and no one went with him.

[redacted] called the meeting place about the time the meeting started on May 26, 1963, and stated [redacted] United Klans of America, Inc., Tuscaloosa, Alabama, had informed he felt it was impractical for United Klans of America, Inc., to participate in forming a new Klan group at this time because of statements that he had made recently in public might tend to hurt the new Klan group more than participation of the United Klans of America would help. He said further he did not believe that United Klans of America, Inc., could benefit at this time by joining in the merger plan.

[redacted] said he did not know of anyone who was an officer or member of the Klans represented or of any other Klan that was a member of the National Ku Klux Klan who had the knowledge or ability to lead a large National Klan organization.

NATIONAL KU KLUX KLAN

Informant said he is of the opinion, based on the discussions of this matter, that the Klan may look outside of the present Klan organizations for a person with the qualifications and abilities to lead the organization, possibly someone with National stature.

ASSOCIATION OF SOUTH CAROLINA KLANES
KNIGHTS OF THE KU KLUX KLAN (ASCK)

A source advised on September 24, 1956, that the Association of South Carolina Klans (ASCK) was organized in the Fall of 1955 and is patterned after the Association of Carolina Klans (ACK). This source said ASCK is a new organization and not a re-birth of ACK, although all high-ranking officials of ASCK had been members of ACK. The source stated announced purposes of this organization are to promote white supremacy and combat integration of the races; however, the use of violence is disavowed.

[redacted] source advised on September 2, 1950, that ACK was composed of groups formerly members of the Association of Georgia Klans (AGK) and although ACK severed all connections with AGK, on November 14, 1949, the ideals, purposes and policies of the two organizations remained identical. ACK became defunct after conviction and imprisonment of its highest official and other members in 1952.

[redacted] source advised on April 16, 1962, that ASCK continues to operate for the purpose of promoting white supremacy and combating integration by peaceful means by public speaking and propaganda.

[redacted] source said that ASCK, using the name Majority Citizens League of South Carolina, published a monthly newspaper, "Southland Standard," from August through December, 1961, and dropped it due to lack of financial support.

AGK has been designated by the Attorney General pursuant to Executive Order 10450.

NATIONAL KU KLUX KLAN
KNIGHTS OF THE KU KLUX KLAN (NKKK)

A source advised that on May 22, 1960, the National Grand Council of the Knights of the Ku Klux Klan met at Atlanta, Georgia, to discuss consolidation of the klans unity of effort and activities, to establish a National Fund and a National Secretary and to design a new flag. The meeting was attended by representatives of the Federation of Ku Klux Klan, Alabama; Association of Arkansas Klans, Arkansas; Florida Knights of the Ku Klux Klan, Florida; Southern Knights of the Ku Klux Klan, Florida; Association of Georgia Klans, Georgia; Knights of the Ku Klux Klan, North Carolina; Association of South Carolina Klans, South Carolina; Dixie Knights of the Ku Klux Klan, Tennessee; and Hyksos Klan, Texas.

This source advised that at a consolidation meeting at Atlanta, Georgia, September 2-5, 1960, at which the North Carolina and Texas Klans were not represented, it was resolved and passed that their name be changed to National Ku Klux Klan.

This source also advised that at a consolidation meeting at Savannah, Georgia, October 23, 1960, it was resolved and passed that in any future meetings of this group the name "Majority Citizens League" was to be used.

source advised that at a national klonklave meeting at Texarkana, Texas, on February 11-12, 1961, a motion was carried that there were to be at least six national meetings a year to be held any time from one week to twelve weeks after the last meeting. The time and meeting place were to be decided by the newly elected chairman. This second source also advised that at each meeting a new chairman and acting secretary were to be elected to serve at the next meeting. A national secretary had not been appointed.

b2
b7D

[redacted] source advised that at a national meeting on November 11-12, 1961, United Klans of America, Inc. (UK) was invited to meet with NKKK and it was agreed they would meet together, but there was no talk of consolidation.

b2
b7D

[redacted] source further advised that as of the national meeting on May 5-6, 1962, no national fund, headquarters or secretary had been established and no plans had apparently been made to do so. A temporary chairman and acting secretary were to be appointed for each meeting. The name "Majority Citizens League" was not being used in connection with meetings.

APPENDIX

NATIONAL STATES RIGHTS PARTY

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont," a newspaper of Greenville, South Carolina, reported that a "Ku Klux Klan spokesman of Greenville reported the recent formation of a new political party to be known as the United White Party." According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many Klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals."

The July, 1958, issue of "The Thunderbolt," self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP) reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party," with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of the Ku Klux Klan and notorious anti-Semites.

Issue No. 19, dated June, 1960, "The Thunderbolt" announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that [redacted]
[redacted] of the NSRP, is the
individual who "runs the NSRP."

Springhill, Tenn.
Walter A. Bailey
[redacted] advised that at the Atlanta Meeting, BAILEY made a speech, stating that he had about one hundred men in the area of Biloxi and that his men were on guard every night, in the event of any Negro uprising. Advice was furnished that the next national meeting would be held at Biloxi, Mississippi, with WALTER A. BAILEY, identified as a delegate from an Independent Klan in Mississippi, as the chairman of arrangements and as host.

Moreover, a motion was passed that BAILEY should appoint a public relations committee to investigate the matters discussed at the national meeting, such as the immoral books, blood labeled as to race of donor, etc., so that a short, organized, and educated discussion could be presented on each subject at the next meeting. The members of the public relations committee were identified as

VENABLE,

JAMES R.

as members of the committee.

On January 17, 1963, [redacted] advised that a meeting of the National Ku Klux Klan was held on January 12 and 13, 1963, in room 370 of the Dinkler Plaza Hotel, at Atlanta, Georgia.

Advice was furnished by the informant that WALTER BAILEY of Mississippi, claimed his group was responsible for causing some thousands of "niggers" to leave Mississippi recently; that in his territory carloads of men would go out "riding shotgun" and would find a "nigger" and tell him he had just so many hours to leave the State of Mississippi.

At this meeting, WALTER BAILEY was selected as Chairman of the next meeting to be held in eight to twelve weeks at a place designated by BAILEY. It was stated by the informant that [redacted] was appointed by BAILEY as Public Relations [redacted] for the next meeting. [redacted] was further identified as WALLACE [redacted] a delegate representing the U. S. Klans, Knights of the Ku Klux Klan.

Moreover, the informant advised that BAILEY was accompanied to the meeting by an associate, not otherwise identified.

NO 157-188/dr

Advice was furnished that BAILEY took part in the discussions on all matters brought up at this meeting.

On December 17, 1962, [] advised that WALTER A. BAILEY indicated he had been invited to a meeting at Atlanta, Georgia, during January of 1963, and that he intended to be present, at which time he was prepared to invite the assembled delegates to come to Biloxi, Mississippi, for a similar meeting in early April, 1963.

On December 31, 1962, the informant advised BAILEY had made statements that his new organization was live and ready for any eventuality; and his group was far different than the previous one.

b2
b7D

On January 12, 1963, [] advised that BAILEY had received notice from JAMES VENABLE, identified as the Imperial Kloncee, Atlanta, Georgia, that a meeting was scheduled at the Dinkler-Plaza Hotel in Atlanta, for January 12 - 13, 1963. The informant learned that BAILEY, while there, planned to stay at the Robin Hood Motel.

On January 28, 1963, this same informant advised that BAILEY was accompanied from Biloxi, Mississippi, to Atlanta, Georgia and return by his Vice President; that in all about [] were present for the meetings.

On the same date, the informant advised that BAILEY did not believe much was accomplished by such meetings as the one at Atlanta, as plans had been set up independently of other groups, and that the activities of each did not coincide. Further, that there was no organization as such, that the executives of the various factions get together about every three months and discuss their various respective problems and, that the host State holds the chair for the three month period prior to a meeting and then changes when the next host State is selected. To the chairman falls the responsibility of selection of committees, and making the arrangements for the meetings.

On January 24, 1963, [] advised that EVON E. WALKER of 1724 - 32nd Avenue, Gulfport, Mississippi, received a list of the

leaders of various Klan type organizations located in Georgia, Arkansas, Alabama, Tennessee, South Carolina, Louisiana, Florida and Mississippi. The informant advised that WALKER apparently intended to send out notices to these individuals for some type of meeting which was presumed scheduled to be held in Mississippi. Among those listed by name and address was WALTER BAILEY, Post Office Box 806, Biloxi, Mississippi.

On February 27, 1963, [] Riviera Hotel, Biloxi, Mississippi, advised that he had received a telephone call from BAILEY some weeks ago about possibility of renting several rooms for residence and meeting purposes, for an unnamed date in April. [] said he told BAILEY that he could take care of perhaps 15 or 20, with a week's notice; that he planned to give BAILEY a rate of \$2.00 per person. On March 15, 1963, [] advised that WALTER A. BAILEY, Imperial Wizard, Mississippi KKK, Inc., Biloxi, Mississippi, had extended invitations to attend a meeting of the National Ku Klux Klan at Biloxi on April 6 - 7, 1963.

On April 9, 1963, the informant advised that meetings were held as planned; that WALTER A. BAILEY, Imperial Wizard of the Mississippi KKK presided. The meetings were rather informal. The delegates introduced themselves, and each commented about the progress of his particular klan group. About 25 were present at the first meeting, Saturday night, April 6, 1963.

[] of the Association of Florida Klans stated he had an idea as to how the klan could influence the winning of the next Presidential election. He stated all of the Southern States have a few Republican voters and that if the various klans would elect their own members as delegates to the next Republican Convention, they could more or less choose the Republican nominee for President.

EVON ELIJAH ^{MRB} WALKER, 1724 - 32nd Avenue, Gulfport, Mississippi, was advised of the identities of the interviewing agents; that he did not have to furnish information unless he cared to do so voluntarily; that any information furnished could be used in a judicial proceeding; and that he had the right to seek the advice of legal counsel. WALKER agreed to be interviewed and agreed to be photographed, but refused to give a signed statement or to furnish handwriting samples.

WALKER first met WALTER A. BAILEY at a wrestling match in Gulfport, Mississippi, during January of 1963. WALKER stated that he was aware of BAILEY's association with the Mississippi Ku Klux Klan in a leadership capacity since there had been many articles and photographs concerning BAILEY in that connection in the local newspapers.

On the occasion of their first meeting, BAILEY invited WALKER to travel with him to Atlanta, Georgia. It was WALKER's understanding that BAILEY would attend a klan-type meeting at Atlanta and he would go just for the ride and to see Atlanta. It was agreed that they would each pay their personal expenses and share the transportation costs of the trip.

Around the latter part of January, 1963, they left the Gulf Coast en route to Atlanta. The first night they stayed at a motel about 100 miles west of Atlanta. They arrived at Atlanta the next day about 3 or 4 p.m. They had dinner and spent that night in a motel in Atlanta. Neither he nor BAILEY went anywhere that night.

The next morning, BAILEY parked his car on a lot near a railroad freight yard at about 10 a.m. WALKER stated that at this point they separated. BAILEY went to the klan-type meeting and he, WALKER, just "moseyed" around town and went to a theater, the place and title of the picture unrecalled. By prior agreement, he met BAILEY at BAILEY's automobile at 3 p.m. They left Atlanta,

had dinner en route, and arrived at about 8:30 p.m. at the same motel where they had spent the first night of the trip to Atlanta.

WALKER repeatedly stated that at no time did he attend any meetings with BAILEY nor did he meet any other klan members or take part in any klan-type meetings in Atlanta, Georgia, or anywhere else. WALKER stated that he is not a member or officer of any klan-type organization, and he never has been a member or officer of any such organization.

Mr. WALTER A. BAILEY was interviewed at 412 West Beach, at which time he was advised of the identities of the interviewing agents; that he did not have to furnish information unless he cared to do so voluntarily; that any information furnished might be the subject of testimony in a judicial proceeding against him; that he had a right to counsel. BAILEY consented to the interview and voluntarily furnished the following information:

BAILEY stated he was born at Springhill, Tennessee, on September 25, 1906, and that he was given the same name as his father; that both of his parents are now deceased. He said he graduated from the Branham & Hughes Military Academy at Springhill, Tennessee, year not recalled, and that he had not attended college.

He worked for Swift & Company, at Nashville, Tennessee, for a short time in the early 1920's, from which employment he entered military service in the United States Army at Nashville. He said he was discharged for minority reasons from the hospital at Fort Sam Houston, Texas, on August 23, 1923, and that he has no disability from military service, does not receive a pension of any kind from the Government; stated he "refused to be a public payroll bum".

BAILEY stated that after he was discharged from the Army, he returned to his home at Nashville, Tennessee. He was unable to furnish specific dates concerning his background activities, but said in about 1925 he spent some time working in Florida, where and for whom he said he did not recall, except that on an occasion in the summer of 1925 he was working for a man named (first name unknown)

[redacted] He said [redacted] had him drive him to Birmingham, Alabama, and that there [redacted] got drunk in the Hillman Hotel, and ordered him to fetch more liquor for him; that in doing so he was picked up by officers [redacted] and [redacted] of the Birmingham Police Department and held

briefly. He was quite certain he had been fingerprinted at that time, and then released. He said he had also been fingerprinted at the time he entered the United States Army.

Advice was furnished by BAILEY that he went from Tennessee to New York City, dates unrecalled, where he met his wife, the former [redacted] who was a native of Brooklyn, New York, and whom he married in New York City on December 30, 1933. He said for a time he lived at Far Rockaway Beach, New York, and at 1574 First Avenue, New York, New York. He said he had never owned a home and had always lived in rented apartments. He said he worked in the restaurant business and the fishing tackle business in New York. He claimed to have worked for himself and that he developed a fishing lure called a "tangle line" which he marketed, although he secured no patent, in sporting magazines at the time, and where he made his money. He said he is presently retired and that his income is made up from the return on annuities.

b6
b7C

It was learned from BAILEY that from about 1940 until 1945 he was the night manager of the "Brass Rail", said to be a restaurant at Detroit, Michigan, located on Adams Avenue. He believed that for a time during this interval he resided at 1410 Kirby, in an apartment at Detroit, Michigan.

BAILEY stated he had ~~no~~ children; that [redacted], as well as [redacted] currently live at Nashville, Tennessee.

~~WALTER A. BAILEY~~

BAILEY exhibited a wall-type certificate carrying his name as WALTER A. BAILEY, Grand Dragon, dated in 1960, which also bore the name Knights of the Ku Klux Klan. He said he obtained this plaque when he was affiliated with the Knights of the Ku Klux Klan at Atlanta, Georgia, under the Fulton

County, Georgia, charter of that Klan organization. He said, however, that about two years ago, he took his group of Klansmen and the organization he headed in Mississippi, out of the Knights of the Ku Klux Klan, and that his Mississippi Ku Klux Klan is now an independent organization with no allegiance to any other state, but that he will cooperate with other Klan organizations.

BAILEY proudly related that the Ku Klux Klan was a secret fraternal organization and that as such, it is against the rules of the order for him to identify the individual members. He said the Klan, referring to the Ku Klux Klan, was not a militant one and the Ku Klux Klan is strongly opposed to violence. He said the Ku Klux Klan stood for being "pro-American", "pro-Protestant", and "pro-white". He said his organization in Mississippi has but three officers; President, Vice President, and Secretary-Treasurer. He stated that he holds the office of President but refused to identify the other two officers. He said there are no women in his Mississippi Ku Klux Klan and that minimum age for making application is twenty-one, there being no upper age bracket limit. He said dues in the Mississippi Ku Klux Klan are presently \$2.25 per quarter. He said that unit members in Mississippi utilize no robes or hoods and that they are not armed.

It was observed that BAILEY was in possession of a billy-club of the type utilized by police officers, and when asked about its use, he said he used it for protection in his apartment. He also exhibited a pen-like object that was noted to contain a .410 cal. gas cartridge that could be triggered by use of a clip affair on the side. He said this unit was kept at the residence; that it was for [redacted] protection.

BAILEY contended he did not know how many Klansmen there were in Mississippi or in the

b6
b7C

NO 157-1882/sms

4

Mississippi Ku Klux Klan, explaining that the number continually changes and that he could not even hazard a guess as to the current number. He did say that if he knew the number he would not hesitate to so comment.

As to the number of Klansmen in Louisiana, BAILEY opined he believed that "one out of every five eligible men in Caddo Parish, Louisiana, is a KKK member." He claimed he had journeyed to Bossier City, Louisiana, a year or two previously, in connection with a Klan matter, found the leadership poor, made suggestions on how they could straighten things out in the Ku Klux Klan in Louisiana, returned home and had not been back for further meetings there.

He said, however, he was of the idea that the Ku Klux Klan in Louisiana was also an independent organization with no affiliation required with other state organizations, but that it was presumed the Louisiana Ku Klux Klan would cooperate with other states. He related that a [redacted] from Dallas, Texas, whom he identified as a Texas Ku Klux Klan leader, went to Shreveport, Louisiana, and vicinity and met with individuals there concerning the Ku Klux Klan in North Louisiana; that this was, however, several years ago. He claimed to have no current information about the status of the Ku Klux Klan in Louisiana.

Advice was furnished by BAILEY that in January, 1963, he invited a number of Ku Klux Klan leaders to Biloxi, Mississippi, for a two-day meeting at the Riviera Hotel; that the meeting was held. He did not desire to furnish information as to what was taken up at the meetings, or to identify those present. He said that at the Biloxi Klan meetings there were approximately 40 present during the first week-end in April, 1963. He said only four (4) persons from the Mississippi Gulf Coast area were in attendance and that this is all that were authorized to be present and that no state has more than four (4) votes.

He said the meetings in the various different states are held about four months apart and that a Chairman is selected from the host state group, who is responsible for making the arrangements of the succeeding meeting, that thereafter another Chairman is selected, etc.

In regard to his trip Saturday and Sunday, May 11-12, 1963, from Biloxi, Mississippi, to Bessemer, Alabama, and return advice was furnished by BAILEY that he learned of a Ku Klux Klan meeting that was to be held in a field at Bessemer on the evening of Saturday, May 11, 1963, from some friends of his in surrounding states to Alabama, but not from anyone in Alabama. He said he invited [redacted] of Biloxi, Mississippi, to accompany him. He said prior to departure, he and [redacted] went to the Riviera Hotel at Biloxi, where [redacted] cashed a check for \$10.00 with [redacted]. He said the two of them got under way about 10:00 a.m. in his car described as a white, four-door Dodge Seneca of 1961 model, bearing 1962 Mississippi license GB-1497.

BAILEY said they traveled to Gulfport, Mississippi, from Biloxi, then highway #49 to Hattiesburg, Mississippi, then highway #11 to Laurel, Mississippi, and that they had considerable trouble with the car heating up and lost a good deal of time, both at Laurel and other places, especially from about 5:30 p.m. to 7:30 p.m. at Yarborough's Dodge garage at Eutaw, Alabama. He said they arrived at Bessemer, Alabama, at the place where the Ku Klux Klan meeting was being held in a field at about 9:30 p.m. BAILEY said he and [redacted] were at the meeting for approximately an hour when it was concluded. On arrival [redacted] was speaking, he said. Nothing was said about any type of violence being planned or contemplated, he said.

It was stated by BAILEY that he knew a number of those present at the Ku Klux Klan meeting, including parties named [redacted]

b6
b7C

NO 157-1882/sms

6

[redacted] He did not, he said, desire to further identify these persons as they were not the only ones there and he claimed to not know where they were from in many instances. He said a few of the Ku Klux Klan members present were in robes, with caps but none had hoods which covered the face. He said there were some "security guards" there also, who had helmet-type hats colored white.

BAILEY contended he could not recall the time of the conclusion of the Ku Klux Klan meeting at Bessemer, but that after it was over, he [redacted] went a little east of town, stopped at Russell's Restaurant where he had a sandwich and milk [redacted] had coffee. On departing here, he contended they returned Westward, stopping frequently for water for the car as it was heating up badly. He said he [redacted] did not at anytime get as far East as Fairfield, Alabama, which is a good distance West of Birmingham, Alabama. He said they made their way South and West to Livingston, Alabama, where at about 2:20 a.m., Sunday, May 12, 1963, they stopped at Greens' Hotel for the night. BAILEY said he knew nothing of any bombings at Birmingham or vicinity until they returned to Biloxi, Mississippi, at about 2:30 p.m., May 12, 1963. He said he was not responsible for the bombings, did not believe in such activity; that he did not know who could be responsible; that he would advise if he knew who was responsible or if he ever learned who was responsible.

A request was made of WALTER A. BAILEY for handwriting specimens and to obtain photographs. He refused to accomodate this request.

[redacted] During the interview with BAILEY, [redacted] was present in the apartment and occasionally

ASSOCIATION OF GEORGIA KLANS KNIGHTS OF THE KU KLUX KLAN (AGK, KKKK)

A source advised on January 11, 1961, that the AGK, KKKK, was [redacted] in the Spring of 1960, with mailing address of Post Office Box 41, Bloomingdale, Georgia. This source stated that AGK, KKKK, is a new organization and is not affiliated in any way with the old Association of Georgia Klans which is defunct. It is patterned after the U. S. Klans, has the same general ritual and has the same titles for its klavern officers. Most officers and members are former members of the U. S. Klans. The announced purposes of this organization are to promote white supremacy and to fight integration and communism by peaceful means, and it is opposed to any type of violence. On August 5, 1963, Confidential Informant

Captioned organization held a meeting on August 3
and 4, 1963, at the Dinkler Plaza Hotel, Atlanta, Georgia.
The purpose of this meeting was to unite all klan groups
in the South into one organization. Among the delegates
in attendance were as follows:

All of the above klans voted to set up the National Ku Klux Klan as a group to coordinate the activities of all of the participating member klans. James R. Venable was elected chairman, and it was decided that the National Ku Klux Klan would attempt to coordinate activities for the trial period of one year. Each klan is to appoint three permanent delegates to the National Ku Klux Klan, and these three delegates will meet with Venable on an irregular basis from four to twelve weeks. Each klan will continue to operate independently, and the main function of the National Ku Klux Klan initially will be to disseminate information. For instance, if one klan group decides to have a public rally, they will notify the National Ku Klux Klan, who in turn will notify all the other klans.

[redacted] stated that he would send a telegram to Senator Strom Thurmond of South Carolina in an effort to get a klan representative invited to testify before the Senate Commerce Committee on President Kennedy's Civil Rights Bill. It was decided that if this invitation can be obtained, James R. Venable [redacted] will go to Washington to testify on behalf of all the klan groups.

The next meeting of the National Ku Klux Klan will be held on September 8, 1963.

On Saturday, September 7, 1963, the National Ku Klux Klan will sponsor a National Klan Day at Stone Mountain, Georgia.

It was the informant's opinion that this attempt to unite all klan groups will be unsuccessful because of the fact that [redacted] of United Klans of America, Inc., Knights of the Ku Klux Klan, is opposed to it. Inasmuch as United Klans of America, Inc., Knights of the Ku Klux Klan, is by far the largest klan group in existence, the support of this group will be necessary for any successful consolidation of klan groups.

JAMES R. VENABLE was the master of ceremonies
and also the main speaker. VENABLE described himself as acting
master of the National Ku Klux Klan which he described as
a collection of several Klan groups. VENABLE told the history
of the Klan and described how the Klan had been formed to free
the South of carpetbaggers after the civil war. He described
the Klan as the bulwark of the white race and said that Klan
action had effectively prevented Negro, Jew and Roman Catholic
elements from the national government up until 1960. He said
the Klan has no quarrel with Roman Catholics as long as they
stay in the field of religion and do not meddle with the
white man's government. He described the United States as a
"white man's country" and declared that neither Negroes or
Jews had any part in writing the Constitution of the United
States. He said the Klan has two weapons which it will use
in the fight to keep the United States a white man's country.
He described these weapons as the boycott and the ballot box.

Aimed against Negroes, Catholics

New Ku Klux Klan

organizes in county

By AL PERRIN

Managing Editor, The Press

A new version of the infamous Ku Klux Klan, anti-Negro and anti-Catholic order which long has flourished in the South, is starting to recruit members in western Riverside County.

The new group, calling itself the National Ku Klux Klan, began seeking members last week in the Glen Avon area. One of two organizers, a Fontana man who gave his name as Andree Touraine, declined to say how many he has recruited.

HE SAID he had worked in the Glen Avon area only "a couple of days" and was "just talking to those whose names have been given us by our Fontana members."

Touraine said the local unit has 68 members now, all living in the Fontana area.

"We plan to continue working for members in the Glen Avon area for the time being and then work on through Riverside and into San Bernardino," he said.

TOURAINÉ said a man named J. James of Fontana is the "Grand Black Dragon" of the new Klan. He said James was a member of a Klan branch

Touraine, who said he is a warehouseman by occupation, explained that the title, "Grand Black Dragon" has the word "black" in it to differentiate the new group from the original Ku Klux Klan,

which calls its state leader, "Grand Dragon."

"We don't feel quite the same about things as the original Ku Klux Klan," he said, "and, you must remember, the old Klan got a pretty bad reputation with some people, so we decided to form a new group."

TOURAINÉ said there are other branches of the National Ku Klux Klan in Muncie, Ind., and Norfolk, Va., and claimed each of those units have more than 100 members.

He said James, originally from Virginia, as is Touraine, helped set up the Norfolk unit in 1959 and then went to Indiana to set up the Muncie group before coming to this area last year.

Touraine said he, himself, has lived in Fontana five years.

IN A LETTER James had sent to the Press-Enterprise, the local Klan's purposes were slated as:

"1-To work for the restoring of the Constitution of the U.S., back to the original concepts of its meaning.

"2-Counteract the actions of the NAACP (National Association for the Advancement of Colored People), CORE (Congress of Racial Equality) and other like organizations, who act to restrict and change, through pressure, the American Caucasian way of life.

"3-To demonstrate through Klan membership the voice and rights of the Caucasian.

"4-To work for the sup-

pression and outlawing of mixed marriages involving the Negro race.

"5-To restrain the power of the Roman Catholic Church as to prevent interference in matters of government.

"6-To discourage the support of and to work for the defeat of any Negro or Roman Catholic seeking public office.

"7-To seek to effect the above without unnecessary bloodshed and with regard to civil law, when possible.

THE LETTER also said the Klan's "main actions" will be toward protecting jobs from "unfair seizure by Negroes, curtailing the actions against school boards by the NAACP and CORE and taking severe actions on cases of mixed marriages."

(The letter, signed by James, was sent to the Press-Enterprise more than a week ago. The newspaper sent back a letter asking more information, which resulted in the telephone interview with Touraine that is reported here.—ed.)

Touraine said the "action" his group probably would take against mixed marriages would be to just talk to them to try to discourage them, but we have some old-fashioned fellows in the group who advocate the bullwhip to discourage them."

HE SAID the group while not opposed to Catholics as persons or individually, "is definitely against Catholics."

ment." He said "bills that are now before the federal and some state governments to give public funds for such things as school buses for Catholic schools" is an example of the type of action his group opposes.

He emphasized, however, that the Klan's principal purpose is to "keep the Negroes from taking jobs away from whites and from forcing integration of the schools."

Touraine claimed his group has several Catholic and Jewish members and that the reason they have joined, despite the Klan's general opposition to both groups, is that "they have been shoved out of their jobs by Negroes."

"WE BELIEVE the coloreds are taking advantage of the whites right now and the whites are just sitting back and watching," he said.

"The Negro hasn't actually earned any entitlement by his own endeavors. The average Negro is inferior. The top leadership (of the Negro movement) is well educated, but the rest are from the uneducated class."

"The way things are now, if a white man applies for a raise and doesn't get it, he just shrugs his shoulders. If a Negro applies for one and doesn't get it, it is race prejudice."

"As soon as membership builds up, we plan to contact them (Negroes) and try to get them to see the light."

TOURAINÉ, steadfastly maintained his group does not, as of now, plan any violence against Negroes or Catholics. He did say that "when the membership builds up, we plan to contact them."

He denied his group has any connection with the American Nazi Party, which regularly counter-demonstrates at places being picketed by NAACP and CORE members.

"I understand, though, that the American Nazi Party and the Black Muslims (Negro group that advocates complete separation of the black and white races) are negotiating with the idea of getting together in some actions."

"THE TROUBLE with us going in with them is that they think they are superior and we think we are superior, so if we won (over the Negroes) then we would just start on each other."

Touraine, when pressed to give his home address or telephone, declined, saying, "some people aren't too happy that we are getting active in this area." He said the group conducts all business through a post office box in Bloomington.

He said, however, that the membership drive is out in the open and that "we have put up some posters in the Fontana area, but they seem to come down about as fast as we put them up."

POSTERS will be put up in the Glen Avon area next week, he said, "once we find out how the laws on that are in Riverside County."

As to the possibility of the Klan's staging a nighttime demonstration, complete with white-robed members and a burning cross, Touraine said:

"Later on we probably will, but we've found that it is very hard to obtain a fire permit, even when you are going to be out in the middle of a street. And if you do as a Klan, you are going to be in the light."

JAMES R. ~~WENABLE~~ presided at the meeting as chairman. Three of the Klan groups represented, Louisiana Knights of the Ku Klux Klan, Nathan Bedford Forest Klan, and U. S. Klans, Knights of the Ku Klux Klan, have not affiliated themselves with the National Ku Klux Klan but had representatives present for the purpose of determining whether their organizations wanted to affiliate with the National Ku Klux Klan.

The representatives from the United Florida Klan did not want the Nathan Bedford Forest Klan admitted to the National Ku Klux Klan and argued that this group had very little membership.

The main decision made at the meeting was to the effect that all Klan groups represented will work together but will continue to operate independently.

NATIONAL GRAND COUNCIL OF THE KNIGHTS
OF THE KU KLUX KLAN,
MAJORITY CITIZENS LEAGUE

On September 7, 1963, [] advised that, at a national meeting of captioned group held at the Henry Grady Hotel in Atlanta, Georgia, on September 1, 1963, it was established that the organization will now be known as National Knights of the Ku Klux Klan.

Captioned organization sponsored a National Klan Day Celebration on August 31, 1963, at 8:00 P.M., at Stone Mountain, Georgia, on the property of James R. Venable, Atlanta attorney and National Chairman of the National Knights of the Ku Klux Klan.

The ceremony started with the igniting of a thirty-foot metal cross wrapped in burlap and soaked with diesel oil. About 85 to 90 robed klansmen stood in a circle around the cross while it was being ignited, and saluted the cross with their left arms held high. They then marched from the cross down to the front of the speaker's stand, and the rally was formally opened with a prayer by an unknown robed klansman.

James R. Venable made the first speech, and gave a brief history of the Ku Klux Klan. He claimed the Klan was the greatest organization "on God's green earth." He claimed the Klan had kept the Catholic, Jewish, and Negro elements out of the Federal Government until President John F. Kennedy was elected. He claimed the Klan was responsible for the defeat of Al Smith, a Catholic, as a Presidential Candidate in 1929. He stated the two great weapons of the Klan at the present time are the boycott and the ballot.

Venable stated that State Troopers were blocking the entrances to Stone Mountain, and they would not be able to go up on Stone Mountain for any of the ceremonies. He also stated that they would have had a larger crowd at this rally, but the Georgia State Troopers were blocking traffic to the meeting place in his cow pasture.

The national meeting of the National Knights of the Ku Klux Klan was held at the Henry Grady Hotel, Room 301, Atlanta, Georgia, at 9:00 A.M., September 1, 1963, with James R. Venable, Chairman, presiding.

It was noted that a number of men in the room were not in attendance at the last meeting of the National Knights of the Ku Klux Klan, including members of the Dixie Klans, the U. S. Klans, a new klan group in Louisiana, and the Nathan Bedford Forrest Klan in Jacksonville, Florida. Those men who had not attended the last meeting as official delegates were asked to go out into the hall until it could be determined whether they were acceptable as delegates and/or whether their groups were qualified for and interested in joining the National Knights of the Ku

Klux Klan.

While these individuals were in the hall, and before they were called back in, James R. Venable stated he had received a letter from [redacted] of the U. S. Klans, that this Klan would not participate in the national group, as long as [redacted] of United Klans of America, Inc., had anything to do with it. It was decided that the representatives of the U. S. Klans would not be accepted in the executive meeting as they were not authorized representatives of the U. S. Klans.

[redacted] said they did not want the Nathan Bedford Forrest Klan in the national group as they are not worthy of being klansmen.

It was decided the Dixie Klans are automatically acceptable as they have always been members of the national group. They had been sent out of the room merely on a formality as they did not attend the previous meeting.

No one knew anything about the new Louisiana klan group.

It was decided that all of the men in the hall should be invited back in, so as not to hurt anyone's feelings, and this was done.

The representatives present of the non-member klans re-admitted to the room were the following:

Before the informal meeting was adjourned,
 both, suggested
privately that the Louisiana group be invited back
for the executive meeting, and quietly asked
them to come back. He also told the delegates of
the Dixie Klans privately to come back for the
afternoon meeting.

The executive meeting began in room 301
at about 2:00 P.M., with James R. Venable, Chairman.

The representatives of the Dixie Klans and of the Red River Parish Klan of Louisiana, identified above, were invited guests. Both groups indicated they would take the available information regarding the national group back to their headquarters for a discussion as to whether they wanted to join the national group and, if so, to elect permanent representatives for one-year terms.

Venable announced that the expenses of the National Klan Day Rally were \$396.16, which he had already paid.

The fifty dollars in the treasury of the national group was paid to Venable, and a motion was made, seconded, and carried, to raise the dues of each member klan for the month of September to \$50.00 each, so that Venable could be repaid for his expenditures.

[redacted] said that he believed that the deed for Stone Mountain, when it was sold to the State of Georgia, contained a provision that the Klan could use the mountain for ceremonies as long as the lease was paid. The lease fee is only about one dollar a year.

[redacted] asked Venable to check the lease to see if this provision was not in the deed and to find out to whom the fee should be paid. [redacted] stated they did not want to use the whole mountain, but actually only wanted to use the cross built into the mountain many years ago.

It was decided that the National Knights of the Ku Klux Klan should go into areas where there is not now an organized klan group, and to organize in the name of National Knights of the Ku Klux Klan, because the time is now ripe.

Venable claimed he was receiving letters every day from people all over the United States, wanting klan groups organized in their areas, but that it would take money to do this.

[redacted] claimed he has a letter from an individual willing to donate two to five thousand dollars to the Klan if the Klan has a definite plan and the plan is acceptable to this person. [redacted] said he would investigate this matter.

[redacted] made a motion that a group of organizers be sent into a trial area to organize a klan group, if the money can be raised. This motion was seconded and carried.

[redacted] also claimed the reason the Klan was not growing is because it is on the subversive list in Washington, D. C., and they ought to spend a little money to go to Washington and get the Klan off this list. There was a lengthy discussion of this matter, and it was resolved with Venable asking [redacted] to contact Senator Olin D. Johnston of South Carolina to help the Klan in this matter.

[redacted] also criticized the United Klans of America, Inc., and stated that, if the klans are to grow, the United Klans of America, Inc. must cooperate with and work in concert with the other klans.

It was decided that a committee be appointed to go see [redacted] of United Klans of America, Inc., personally, and request that he attend the next meeting of the National Knights of the Ku Klux Klan. The committee is also to request that he specifically identify himself in any future public statements as spokesman for the United Klans of America, Inc., only, and not for all klansmen. *6/11*

[redacted] said he had talked to Senator Strom Thurmond about calling members of the National Knights of the Ku Klux Klan to testify before the Senate on the President's Civil Rights Legislation currently pending, and Thurmond told him it was too late.

The meeting closed at about 3:30 P.M., with [redacted]

Burning of the Cross

See 2nd page
[Klu Klux Klan]
61-1574 + refs

Burning of the cross by the Klan may scare some unlearned Negroes and light-minded white gentiles, but terror is not the object and has no part in the true meaning of the burning cross.

The burning cross symbolizes destroying the cross instead of Christ. The Jews who were responsible for the crucifixion of Christ have enslaved the people of Europe and Asia, are on the march in this country determined to destroy the White race and Western culture. Many of our so-called Christian churches are following Jewish Talmudic teachings instead of the New Testament. Our schools are being subverted by One-World Jewish philosophies.

Jews have so harnessed the newspapers, magazines, radio and TV that lies and distortions substitute for truth. Smear tactics and character assassination of the individual patriotic citizen is running rampant and the White citizen's right to defense and protection is a forgotten American tradition.

The Klan will disband and return to normal life only when the American government is back under White Christian control; out of the hands of the Rothchilds, the Warburgs, the Lehmans, the Javits, the Cellers, the Neuberger, the Morgenthau, the Baruchs, the Frankfurters, the Lemnizers, the LeMays, the Strausses, the Pawleys, the Sarnoffs, the Sobeloffs, and the hundreds of other Talmudic Jews and their apostate stooges.

Klansman Tells of Visit With Chief of Police— Letters to The Journal

The Journal welcomes readers' comments on matters of current interest. Such letters should be courteous and brief—not more than 300 words—and are subject to editing. Each letter must be signed.—The Editor.

IMPERIAL WIZARD CITES LACK OF CONVICTIONS

Editor,
Shreveport Journal.

Newspaper articles have been written last week concerning myself which are so at variance with truth and fairness that I humbly ask to be heard through your valuable paper.

I was told by someone that the chief of police wanted to talk with me last Thursday afternoon. I was not arrested. I went in to see the chief of police of Shreveport, all under my own power and not in custody. The first thing the chief asked was if I was still working for the Klan. I answered in the affirmative. He immediately launched an attack on the Klan, or, strictly speaking, one chapter of the Klan in Shreveport. He said in the presence of a would-be reporter that his records reflected that several in said unit were men with long criminal records of convictions for crimes. I then answered and said if such were the case they should be in the penitentiary rather than in the Klan. This statement was based upon his declaration that several klansmen in Shreveport were criminals. The statement published that the good chief of police said he did not want me or the Klan in Shreveport is not true in a single instance.

He told me that he had my record of criminal arrests, and asked me if it were not true that I had

been convicted in a United States federal court in California. My reply was that I had never been convicted in any United States federal court anywhere in or out of the United States, and that there would be paid him or any other human being ten thousand dollars to produce the record that I had been convicted in such courts. I told the chief that for some thirty-five years the ADL, the NAACP and other enemy organizations had been trying to frame me for conviction for the purpose of persecuting me and for the further effort to stop my operations throughout the United States, but that in every battle I had come out victoriously because I trusted in Jesus Christ and not guns.

AMERICANS WAKE UP TIME IS RUNNING OUT

The chief of police then asked me some questions about the burning of a cross on Congressman Brooks' lawn, and asked me where I was on the date this affair took place. I told him I had come to Shreveport on the date of the cross burning to view a painting being done in oil, of myself. That I registered at a downtown hotel, and at the exact time the cross was burning I was having dinner in the dining room of said hotel with some friends; that I did not know the cross had been burned until I was informed later that night. That I had no more to do with the burning of that cross than he did; that I had put on an investigation to ascertain who was responsible for the cross burning, and that my efforts, aided by an investigator from North Carolina, had netted us nothing. However, I did say that I had some suspicions as to who burnt the cross, but that these suspicions were not based upon a single piece of tangible evidence.

I further stated that as a result of the cross burning incident, plus some other matters, one klavern had surrendered its charter, and that I had their charter in my home, and that as far as I knew, that particular unit was not functioning.

The little would-be reporter then asked me about a meeting to which he had been invited. He spoke about seeing firearms displayed, etc. I told him I knew absolutely nothing about that matter except what I had read in the papers. However, on the gun matter, I did state that the Klan had several splendid officers of the law in it, and of course officers of the law have a legal right to bear firearms. I told him I had not even been invited to that meeting. I told him that I did not endorse the cross burning incident, that it was a cowardly way of handling an opposition movement against Congressman Brooks, and that if we ever learned who were implicated in this matter, that we would give the benefit of our information to him for his disposal.

The chief of police impressed me with his honesty and faithful efforts to find out who is responsible, and I assured him of my full cooperation, for the burning of the cross. During all this time I was not brow-beaten. I was courteously treated by the chief of police. No third degree efforts were employed, and none were threatened. He appeared to me to be a man deeply concerned about the welfare of his city and of building and maintain-

ing good government in his jurisdiction. However, he was firm in his statements, and I tried to be in mine. We had not one single argument about a single thing. Of course, there was a wide divergence of opinions on certain matters discussed.

I did tell the reporter that this was just another smear effort. I also said as much to Dale Carpenter in whose office I was "mugged." I told him and those

participating in this embarrassing and unnecessary thing that part of this inquiry was for the sole purpose of adding just another page to a damnable method of comprising a file on me. That I had been subjected to just such things for the past thirty-five years.

Certainly had I been arrested I would have been about the first person to know about the arrest. I then stated to the good chief of police that if he had no further questions that I would be on my way home. I immediately left for my home.

Now, I wish to say that neither the chief of police, the sheriff department nor the FBI has any legal or earthly right to ban the Ku Klux Klan. That if such banning is done, that it will have to be done in a court of law, showing the Klan to be a lawless organization. I wish to say that all efforts of the NAACP, the ADL and the Communists will never stop the Klan. Were I placed in irons this day, the Klan will live on and on in the face of bitter opposition, to uphold the sacred traditions of the South. They will forever and a day fight to maintain white supremacy, just laws, free speech and free press, and to perpetuate the high ideals which govern it. For this movement I am ready to give my life, if necessary, and I believe that the large membership of the Klan will follow me, before they sit silently by and see all our cherished freedoms go down the drain. With me, they are determined that the NAACP and the Communists are not going to take over this country without a struggle, and then I doubt they will succeed in the struggle.

In this great hour of suffering and persecution, let's still stand for God, for law and order and good government, and back up, to the last man among us, every officer of the law in the performance of his legal duty.

Despite the effort of Mr. Davis to minimize the Gestapo like tactics of Shreveport's Police Chief the reporter for the TIMES gives a graphic story of contempt for White American's rights you find in Caddo Parish.

Let's face it! Greed for wealth and power is mans' worst enemy.

Politicians downgrade their Country, offer doles, free food and lifetime security to buy votes and power.

Greed leads many of-fice holders to want Dictatorial Power so they dedicate their efforts to changing the American way of life for Socialist-Communist ideologies to attain their ends.

The action of Shreveport's Police Chief in finger printing and mugging a Law abiding Christian Citizen who is engaged in organizing WHITE AMERICANS who oppose Communist, Zionist, NAACP, CORE, ADA, and The Mistaken who, like Termites and Borers work from within to destroy America, SPEAKS FOR ITSELF.

The POT should never call the Kettle black as Chief Teasley did. Has he ever tried to count the Politivians and LAW OFFICERS who were sent to prison?

These men violated a Public Trust and were caught. Many just as guilty need catching.

The reorganized Klan is screening members with care and cleans its own house. The Chief knows this BUT can he say the same?

The Anti-Christ

One of Hollywood's highest paid Jew scenario writers, whose name is Ben Hecht, recently wrote in one of his books the following:

"One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of executing Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a saviour out of mincemeat."

ASSERTS NEGROES SEEK SOCIAL LIFE, NOT RELIGION

Editor, Shreveport Journal.
I wonder if the do-gooders fully realize what integration of all churches really means! It isn't religion the Negroes seek, but social life, and, I tell you, there is more of it in the churches, morning, noon and night, than in all of the night clubs and country clubs combined.

The do-gooders are subjecting their children, who will have to rub shoulders with the Negro in every phase of church life (they'll swim together, bowl together, picnic together, go to conventions together), to the vilest existence imaginable.

Negroes know that when they get a foothold in the white churches their goal for intermarriage will be realized in a very short time. Make no mistake — that is their goal.

So you noble Christians who uphold NCC and United Nations will be held accountable to your children for ruining their future existence.

HOPES K.K.K. CAN PUT NAACP IN ITS PLACE

Editor, Shreveport Journal.

Well, finally the K.K.K. has come to life again. In 1919, the 1920's and '30's, the K.K.K. in Houston had huge parades every week.

A few years ago, I said in one of my Shreveport Journal letters, we need a K.K.K. in every block in America in plain clothes. It is high time that the Masons, supposedly the finest men in America, should wake up. They and the American Legion have done nothing about the chaos all over our country. Why?

I said that once before, and I had several letters from them. One said, "The mills of the Gods grind slowly." As Adam Clayton Powell said, "The white people in the NAACP have caused chaos all over America and they have controlled it ever

since it was organized." That should be investigated.

One of those people told me they were going to free the American Negroes. Why are white ministers mixed up in this Negro chaos? The better class Negroes should do something to save their positions and their people. They are against this rabble rousing.

In every race there is trash, and the Kennedy brothers are all out to help the trash take over America for votes in 1964. They have done nothing to stop them, since the first march from Nashville to Jackson, Miss. Now the K.K.K. will take over and I hope the Negroes and the people who organized the NAACP will be told where to head in. I'm tired of hearing them brag.

God Bless America. We need it as never before.

VIRTUES OF NOTORIOUS JAMES BROTHERS NOTED

Editor, Shreveport Journal.

I have just read of a statement made by a member of the Louisiana State Legislature in which he compared the Kennedy Brothers of Massachusetts with the James Brothers of Missouri. I assure you that a lot of good people in Jackson and Clay Counties, Mo., resent any such comparison because Frank and Jesse James, although outlaws, had a lot of principle, integrity and sense of fair play. They were outlaws because they were forced into outlawry by ruthless, vengeance-seeking, South hating, Negro-loving Yankees such as the brothers from Massachusetts.

In spite of the crimes the James boys committed against their oppressors, they had the love and respect of the best citizens of Missouri and they were friends to the South, so please don't ever low-grade the James Brothers of Missouri by comparing them with the Kennedy Brothers of Massachusetts.

Californian Asks If It Will Re-Elect President in 1964

Editor, Shreveport Journal.
Charm! Charm! Everyone talks about the charm of the President on his visit to California. But nothing is said about what he has done in office since elected. Will that charm re-elect him in 1964?

A mayor of Oregon a few years ago said that he could prove that people vote for a name and not for what a person has done, so to prove it he put the name of Sam Curtis on the ballot for councilman. Sam Curtis now, and was a mule...

What about Cuba and that secret deal? Will we lose the protection we have near there? And Turkey—where we did have protection. That was fine, until that deal with Russia.

And Ole Miss—the millions that cost taxpayers to put a

one person in school. Now Dan Smoot is on the radio telling about the "all power" that the President wants over our country. Is Congress doing a "sit-in" in everything? They seem to just listen to the Supreme Court while those nine old men tell every state what to do and not to do. And tell school children they cannot be taught about God. And the Kennedys send in federal troops to Birmingham ignoring that fine governor.

They allow people to go all the way to California and New York to cause trouble in states. Just like they allowed the first troublemakers to go from Nashville to Jackson, Mississippi—of which were two white girls from Los Angeles who were attending a Negro school in Nashville. Why were they in that school? And it was not investigated. We have all kinds of schools in Los Angeles.

Kennedy Inconsistent

To The Dallas News:

Kennedy criticized Eisenhower for excessive spending, yet he submits to Congress the largest budget in our history. Kennedy stated that there would be no compromise with communism in the Western Hemisphere, yet now there are thousands of Russian soldiers 90 miles from our coast. He told the German people that an attack on them would be the same as an attack on us, yet a State Department spokesman said the other day that the German people need reassurance every hour on the hour.

'One-Term John'

To The Dallas News:

"One-Term John" Kennedy is now so unpopular in Central Texas that in the past three weeks I have had only one customer threaten to cease doing business with me because of remarks made concerning the dynasty and its accomplishments.

In fact, I now expect business to pick up as the full impact of truth finally makes its impression upon the party faithful who heretofore could neither see, hear nor speak of the evils in a socialistic dictatorship until the confrontation by Gov. Wallace of naked federal power and encroachment upon state and individual rights at Tuscaloosa, Ala., and the broadcast admission of the chief executive that he must have legislative authority from Congress to continue what he had been doing without lawful authority in the matter of social reform (social rights), theretofore misrepresented as "civil rights." Powell's Statement

To The Dallas News:

If the statement by Adam Clayton Powell is true that he rewrote half of the ridiculous civil-rights proposals for the President of the United States the night before they were delivered, then the President should voluntarily vacate the White House or be impeached. If Powell's statement is not true then Powell should be removed from the Congress.

Hon. J. C. Phillips, Publisher
Borger News-Herald,
Borger, Texas

In fairness to President Kennedy and his "New Frontier" Socialist - Democrat Party, I trust you will find space in The Mail Bag columns of your widely read paper for the following letter and the suggestion it contains.

Most of us heard or read Mr. Kennedy's statement that he was "appalled by the death of Medgar Evers" . . . Can we believe this or is his statement part of the controlled One World press and other News media to make a martyr of Evers? Who can say that his own group, race or their supporters did not feel that Evers was expendable and would render better service as a martyr than worker?

However, the Evers case is only mentioned since several white men including law officers and soldiers who have been beaten up, stabbed, shot and murdered by Negroes in many parts of the nation. Most of these assaults and murders have received little or no news comment and none have "APPALLED," shocked, horrified or otherwise been mentioned by Mr. Kennedy, nor has he sent "condolences" or "regrets" to the families of these white victims of his "Civil Rights Program."

Why?

Are the lives of these white citizens as worthless in JFK's eyes as are the civil rights of white, Latin, yellow and others now subordinated to those of the Negro? Has Mr. Kennedy endeavored to obtain or improve "civil rights," and equality for the American Indians or for Americans of Latin, Japanese, Chinese, Arabian or other ancestry?

Isn't the Kennedy "rights" program only a political Trojan horse designed to deceive the whites and blacks alike?

Are the lives of white and various American minorities less valuable than that of in NAACP Kennedy Party vote solicitor? You dear reader, must answer this since JFK and little brother will not deign to do so.

The Party in their Los Angeles convention ceased to be the Democratic Party and became the Socialist - Democrat New Frontier Kennedy Party. Their platform contained a socialist - communist "Civil Rights" plank that has been vehemently supported by all new frontiersmen and Kennedyites and since I do not wish to impugn the honesty or veracity

of all party members I am forced to presume "THE PARTY," ITS MEMBERS AND THE Kennedys mean what they say about civil rights for "Negroes" — although it was believed The Party meant Civil Rights and Equality for all Americans. What did the reader believe?

Mr. Kennedy in speeches from Washington to Hawaii, brother Bobby, Lyndon Johnson, Senator Mansfield and other Kennedy Party stalwarts have made it clear that the "Civil Rights and Equality" program of THE PARTY APPLIES EXCLUSIVELY TO NEGROES — whose votes The Party and the Kennedys hope to garner in 1964.

Presuming that Mr. Kennedy speaks for his Party I wish to most respectfully suggest he and The Party can best prove their sincerity and honesty of purpose by forming an "Integrated Presidential ticket for 1964" What would better prove the good faith of John Fitzgerald Kennedy than an integrated presidential team? I would suggest that our globe trotting integrationist demand an equally well known globe trotting congressman as a running mate.

A John Fitzgerald Kennedy — Adam Clayton Powell ticket should really be proof of JFK's honesty and sincerity . . . Should Powell decline to accept the second place on the ticket — and he might — Then I am sure that Dr. Martin Luther King Jr. would jump at the chance so we could have a party ticket with John Fitzgerald Kennedy for President and Martin Luther King Jr. for vice president. Surely such a ticket would draw full support in both votes and finances from the Negro voters and their one world supporters.

What say, my fellow Americans? Let's all boost for an "integrated Kennedyite" New Frontier Presidential team and uphold the honor of Kennedy and HIS PARTY in the eyes of the World.

FOR GOD AND COUNTRY

Integrated ticket advocated by Texan in memo to J. F. K.

July 1 1963

John Fitzgerald Kennedy,
President, The White House,
Washington, D. C.

You are facing a dilemma unparalleled in American history that only you, Mr. President, can solve therefore I offer the following simple and feasible plan for clarifying the situation and restoring your image throughout the World where, as you know, many millions of people — white, black, yellow and red — are seriously questioning your sincerity and honesty of purpose. This has been the result of your "rights and equality for negroes" program and the apparent disregard of the "Rights" of Americans of Indian, Latin, Oriental, Aryan and other racial minorities whose rights have been so flagrantly violated and subordinated to those of the negro.

In view of the seriousness of the situation I respectfully suggest that you, as head of the "Party" immediately direct the "Party leaders" to nominate an integrated Presidential ticket for the New Frontier's 1964 campaign. Permit me to suggest, Adam

Clayton Powell the globe-trotting N. Y. Congressman, or Martin Luther King, Jr., your brother Bobby's negro voter registrar as those most likely to serve you as the Party's Vice-Presidential candidate. Either should be able to put a stop to the negro's "race war" threats that you and the Congress are so fearful of, and either as a running mate would satisfy all who doubt your sincerity, humanitarianism and brotherly love for the negroes. By following your order in this matter "The Party's" honesty of purpose would also be definitely established. Could you ask for or expect more Mr. President or would you feel an integrated Presidential slate would not be popular?

Respectfully your
humble servant,

WOULD HEED WARNING
AGAINST POLITICAL POWER

Editor,
Shreveport Journal.

It ill behooves the "elite" to denounce as "extremists" and fright peddlers, citizens who make valid criticism of the present government.

It was the leader of the New Frontier who said in 1949, "It is of utmost importance that we search out and spotlight those who must bear the responsibility for our present predicament." (Referring to the tragic story of China).

What our boys in the armed forces have saved, our Hole-in-the-Head diplomats and our President have frittered away. We have to be suspicious. The war for the moment is one of

words. The people of the United States are bombarded constantly with false propaganda. This comes not only from the Reds abroad, but from traitors within our own government.

Freedom has never been harmed by the courageous statements of an honest conviction, but it has often been killed by a do-nothing, say-nothing, stand-for-nothing attitude of the New Frontier.

Thomas Jefferson said, "In questions of political power, don't talk to me about confidence men. Don't trust anyone with political power; just bind all government officials down from mischief with the chains of a Constitution so that they cannot harm the people."

Re Los Angeles airtel to Director 9/23/63.

Enclosed to Phoenix is one copy of referenced airtel and one copy of a leaflet captioned on one side "KU KLUX KLANS" and on the other "Burning of The Cross", to which is attached what appears to be excerpts of various publications over the United States. There is no indication where the attached items originated except that the designations "Neosha, Missouri, Grassroots Oozings, No. 12a" appears at bottom of last page.

The attention of the Bureau is directed to the fact that a close examination of the above referenced leaflet indicates as follows: A double asterisk appears by the name of ALLEN A. STUART, R#1, no city indicated, on bottom of last page. It is evident that the individual preparing the leaflet in documenting same found it necessary to place the address of contributor, ALLEN A. STUART, Neosho, Mo., in the margin, inasmuch as there was not room to place the complete address at the end of the column and the individual preparing the document did not desire to have a continuation sheet for purpose of setting out an address only, therefore, this was

The above identified individuals all stated they had never heard of the leaflet in this matter and were of the opinion no such leaflet had originated in Newton County, Missouri, which has very few members of the Negro race as residents and because there has not been any racial problem in the past in the county.

On 10/28/63, [redacted] and [redacted] Circuit Court, advised he had never heard of the leaflet in this case and did not think such a document originated in the Neosho area. He advised there were no bulk mailing permits or metered mail arrangements with any firm or individual who published or prepared any document known as "Grassrotts Oozings."

[redacted] said his route books did reveal, however, that an ALLEN STUART on 9/6/61, had been entered as a patron at Route #1, Box #152, c/o Deem and Hatfield Store, and that on 9/18/63, he had filed a change of address to 711 East Fairmont Avenue, Phoenix 14, Arizona. He said that he had not personally known STUART but was of the opinion he had met STUART when [redacted] was soliciting votes in the last general election in which [redacted] was defeated in his bid for the Office of Circuit Court [redacted]. He advised there were no notations in the route book or any unusual situations arising from the handling of STUART's mail and that he had not been advised by the route carrier of any untoward incident regarding STUART's mail.

[redacted] U. S. Post Office, on 10/28/63, advised that while he had not known STUART while the latter resided on Route #1, he had noted from perusal of the newspapers that STUART had been a prolific writer of letters to the editors of major newspapers in the area in which STUART had voiced his opinions on national and local matters.

On 10/28/63 [redacted] Deem & Hatfield Store, Tipton Ford Community, U. S. Highway 71, North of Neosho, advised that ALLEN A. STUART, a former resident of the community had received [redacted] and they identified him as the [redacted]

prolific letter writer to editors of newspapers. They said the old man was very opinionated and as a means of expressing his agreement with or disagreement on matters of national policy or local affairs the old man would write letters to the editors of newspapers all over the country.

[redacted] said that they did not think STUART was in any way connected with the KKK, and said they had never seen him in possession of any of the leaflets in this case. They recalled that STUART received a large volume of letters from people who read his comments in the various newspapers, and that it was possible STUART could identify the source of the leaflets.

also known as National Ku Klux Klan,
Knights of the Ku Klux Klan, Inc., National
Grand Council of the Knights of the Ku Klux

Confidential Informant [redacted] advised as
follows on December 1, 1963:

Captained organization held a meeting on the evening
of November 30, 1963, and the morning of December 1, 1963,
in Room 312 at the Merry Grady Hotel, Atlanta, Georgia.
JAMES R. VENABLE, Chairman, presided at both sessions. The
November 30, 1963, session began at about 8:00 p.m. with
14 delegates present. The following Klans were represented:

In addition to the above, [REDACTED] from Augusta, Georgia, a friend of [REDACTED], was present.

The first session consisted only of a general discussion of questions to be brought before the group at the main meeting on the following day.

The December 1, 1963, session began at about 9:30 a.m. with the same group present as the preceding day. In addition, [REDACTED], Columbia, South Carolina, was present as a delegate of the Association of South Carolina Klans, and [REDACTED] was present as a delegate from United Klans of America, Inc. GA.

JAMES R. VENABLE stated that National Knights of the Ku Klux Klan, Inc. has set up a headquarters in a building at Tucker, Georgia. He stated that this building has a meeting hall which will seat 1,000 people and that this hall will be available to any Klan group who are members of National Knights of the Ku Klux Klan, Inc. He said that he intends to install a telephone in this building and set up a permanent office of National Knights of the Ku Klux Klan, Inc. VENABLE also stated that the property owned by him at Stone Mountain, Georgia, will be improved and will also be available for any member Klan group.

RE: NATIONAL KNIGHTS OF THE KU KLUX KLAN, INC.

[redacted] made a report on a recent trip to the Northeastern part of the United States. [redacted] said the purpose of this trip was to set up Klan groups; however, the only success he had to report was the possibility of setting up one unit. He said the Northeastern part of the United States has been completely taken over by Negroes, Catholics and Jews, and that in his opinion the Klan should attempt to organize in "virgin territory" which he described as the Midwest and the Far West. He said that his trip had convinced him that the Klan would have a hard time organizing in the Northeastern states.

There was a long discussion on financial affairs; however, it ended by the setting of \$10.00 per month dues with the exception of the month of September, 1963, for which the dues will be \$50.00 from each Klan group.

There was a long discussion on the 1964 political campaign. The question of unpledged electors was thoroughly explored. It was finally decided that the Klan groups represented would support the Constitution Party. It was stated that this party is trying to draft [redacted] of South Carolina as its candidate for president. S.C.

The meeting adjourned about 12:30 p.m.

On December 1, 1963, confidential informant [redacted] made available a leaflet issued by National Knights of the Ku Klux Klan, Inc., Tucker, Georgia. This leaflet contains a message from JAMES R. VENABLE and reads as follows:

"The white American people now face the stark reality of barricades in the streets and the arming of every home against black Negro race riots. We are at war! This war is the deadliest of all wars for it is both racial and religious.

"For the second time since 1866, the sole issue to be decided is whether or not the purity of the white Caucasian race will continue to exist, not only here in America but all over the

THE KLU KLUX KLAN, 1964

world. It is assaults upon the white Christians and (inaction) and led by brown-race Asiatic Communist Jews whose sole loyalty is to World Jewry and to Israel. Either the white race will emerge a more splendid race than ever before to lead all civilization upwards, or, mongrelized with the blacks, we shall descend in the scale of human existence to roam in negroidal jungles like the ox, where both races become the slaves of the cunning brown-race Jew.

It is a foregone conclusion that if the white man loses his fight to the death, there will be no more Christianity. That is why the white man will never lose his fight.

THE KLU KLUX KLAN ALONE

In spite of torrents of smear and accusations of race hatred, the worst enemies of this noble, Christian religious order must admit that the Knights of the Ku Klux Klan has already saved America from a Marxist citizenship. The Klan stands ready to do it again! And this time, in 1964, there is no South, no North, no East, no West. All America is threatened with this eternal blood-curse of God!

"Because of the high principles of complete devotion to the Holy Cross of Jesus Christ, because of the complete adherence to His teachings wherein He said, in St. John 9:-'While I am in the World, I am the Light of the World'-the Knights of the Ku Klux Klan is the only organization of men and women in the world dedicated to preserving this blood purity for every white Caucasian. The KKKK now numbering more than 250,000 strong has sworn the most solemn of oaths that it will die to a man and to a woman before thieving Scalawag politicians shall cause this terrible curse of God to fall upon us.

THE KLAN KLAN KLAN KLAN KLAN, 1914.

THE KLAN OF THE KLANS

"White Americans today are flocking to the meetings and open-air rallies of the Knights of the Klux Klan, just as their ancestors did among the Klans of Scotland for over 1000 years. They are now joining the Klan by the thousands--every week--both men and women.

"The daily tyrannies against white Christians by our Communist-dominated Government and our outrageous Federal Courts have forced together the Protestant White Christian as never before. The beatings and gasings of white citizens by U. S. Marshals at the University of Mississippi brought the Klan thousands of members. The Jew-Communist March on Washington accounted for even more.

WHY? WHY? WHY?

"Because Protestant Christians are the only free Christians in the world--free from the domination of an alien and papal clergy with foreign ideologies that are completely un-American. The recent Pope of Rome had the impudence to inform the world that the rich nations must support the poor. That is pure Welfare State. Protestant white Christians will never drink the black broth of negroism that a Communist Government is forcing to their lips. The Negro race, lowest of all the races among humans, will never be accepted as the social equal of the white man. The two races cannot exist side by side and they can never mix. It is against every law of God and of Nature. Once contaminated, the blood stream can never be re-purified. One drop of Negro blood in a white man's veins does not create another white man. It creates a Negro, forever kinking the hair, flattening the nose and thickening the lips. Also it forever dulls the intellect, mixing that which has contributed 95 per cent of all the benefits to human progress with that which in 5000 years has contributed absolutely nothing.

RE: NATIONAL K. K. L. P. OF THE KU KLUX KLAN, INC.

ASK HISTORY THESE QUESTIONS:

- "1. Did you ever read a book, a newspaper, or even a sign in the Negro language? He has none. In 5000 years he never had a thought of tenderness or love that the other races of the earth thought worthy of preserving.
- "2. Did you ever enter a city or even a magnificent structure erected by the Negro? Never. He has no art, nor architecture, just as he has no literature. Placed by God in the richest of all continents in timber and marble he never sawed a tree or chipped a block of stone. He never built a house save of sticks and mud. Here, in America, he has been thrown into the highest culture in the world, with every opportunity to advance, for 300 years. His contributions to human welfare are not the weight of a feather and they never will be.

"He has never ruled himself. His morals his record of crime and disease has never been so debauched by all the races of mankind put together. Government figures show that more than 90 per cent of all venereal disease is carried by the Negro and that over 92 per cent of all children born out of wedlock are Negroes. Both they and their lecherous parents are living off the dole of the white man, in exchange for the purchased bloc vote sold to crooked politicians. The only race which can approach the Negro in complete lack of morals, based upon Christian standards, is that of the leprous Jew--the Negroes' sponsor. It is these two racial minorities, now lately joined by the slaves of a foreign Roman Catholic Pope, who have joined hands in an unholy alliance to rule and destroy America. Our precious Constitution has been ripped to shreds, our base Congress bought to a man, to impress upon Protestant white Christians an enslavement that surpasses in barbarism the combined obscenities and cruelties of the Talmud and the

RE: NATIONAL OFFICES OF THE KU KLUX KLAN, INC.

Holy Inquisition of Rome. These vile religions have actually gained control of the governing bodies of Protestant faiths. We behold today the highest degree of treason in the vested clergy of our country who have bartered the Fiery Cross of Christ for money changers' gold and silver.

"THE KLAN DOES NOT HATE

"Full knowledge that these evil practices are destroying our Country and its precious Government has driven the Protestant white Christian together. We now know that the greatest group of salesmen we have for our cause are the Kennedys, the Martin Luther Kings, the Jake Javitses, the Goldwaters, and all the swine rabbis of Judaism. Daily they make our task easier and more sure of success.

"The Klan is not anti-Catholic. It pities all Catholics in their foreign papal enslavement and prays that they may be free of it. But above all, the Klan is pro-Protestant, the only form of Christianity which can be free and 100 per cent American.

"The Klan is not anti-Negro. It is pro-White and will never consent to be ruled by any member of an inferior race. It believes and knows that the solution of all racial problems lies in returning the Negro to his own habitation--Africa.

"The Klan is not anti-foreign. It is pro-American and as such will not accept into membership any but a nativeborn American.

"Mark well what the Klan says to you, Protestant Americans:--'The most profound and sacred word in all history is the word "race." Race is the ancestral soul of any people that alone rules its destiny. The wrecks of every civilization in all history began with racial

THE KLAN DEMANDS THE REPEAL OF THE 16TH AMENDMENT, ETC.

degradation or the lowering of the standards of racial values. Civilization is only a name. Race is the cause of civilization.'

'WEAR THE KLAN DEMANDS!

The Klan will never cease its resistance until every Unconstitutional Act passed by every Legislative body has been repealed and repudiated.

The Klan welcomes to our land as it always has those chosen splendid members of the Nordic Anglo-Saxon, the Teutonic, the Gallic races, all classed as White Americans. But The Great Melting Pot of our identity was never meant to be a Garbage Can from the dump of Central Europe and Asia which carries the bulk of the Slavics and the Anti-Christians. The Klan demands the expulsion of more than 8 millions of these latter peoples who are here illegally, with full reinstatement and enforcement of our ancient Immigration laws.

The Klan demands immediate repeal of the National Banking Act called the Federal Reserve, and the return of our money into the hands of the U. S. Government instead of those of private banker usurers by whom we are now swindled of over 12 Billions annually in interest on the National debt.

The Klan demands the Congress exercise its full powers under the Constitution in removing all Appellate Jurisdiction of the Supreme Court in all matters pertaining to Education and Religion, leaving those issues to the Supreme Courts of the States.

The Klan demands the repeal of the 16th Amendment to our Constitution pertaining to graduated Income tax which robs our citizens of the fruits of our labors and of our substance to the benefit of both national and worldwide drones.

RE: NATIONAL DEFENSE OF OUR KLUX KLAN, INC.

The Klan demands complete repeal of all Foreign Aid that are not bona fide security loans at interest to any foreign power and complete withdrawal from the body of the United Nations, with its removal from United States territory.

The Klan demands complete repeal of all Civil Rights Amendments as Unconstitutional and Communistic, having no place in a free society of free men with freedom of choice in their associations in all things.

The Klan demands the immediate repeal of the Communications Act of 1934 and the removal of those limited broadcasting frequencies of nature which belong to all the people, being gifts of God like the sun and moon, from the hands of any one religious group, in particular any group classified as non-Christian.

The Ku Klux Klan is determined to become once again the dominant political force in our American country.

Also- all things, the Klan pledges to its every member an unswerving program of Americanism solely under the Constitution, with public condemnation of any public official who will dare to propose any act not in strict conformity to that precious document and the Flag of our Country which solely represents it.

Finally, the Klan will demand stricter laws for the removal of any holder of an office of public trust of law enforcement who dares to deviate from the role of public servant and usurps the role of public master. We, the people, are the sole masters of this America and its Government.

The death knell of the Police State, the Welfare State, Communist State, the Alien State has struck in this Constitutional Republic We, the Protestant Christian citizens, will never harm nor oppress any Minority groups in the free exercise of their beliefs.

RE: NATIONAL DEFENSE OF THE KU KLUX KLAN, INC.

But we warn them never to try again to force us to conform to those beliefs through a treasonous Judiciary if they are alien or unconstitutional.

"We are taking back our Country--politically, legally, socially and economically and religiously and financially. All who don't like it--GET OUT! All who can qualify to the requirements of this splendid heritage of the National Knights of the Ku Klux Klan--COME IN!

There was also a discussion of officers of the Klan putting more emphasis on training members in Klancraft.

There was a brief discussion also of the assassination of President Kennedy and no one appeared to have any first-hand knowledge concerning this matter or the persons reported to be involved.

The open meeting ended about 10:20 PM Saturday night.

A discussion concerning the question as to whether the ten-dollar dues paid by each Klan group to the National Organization was a monthly dues or at each meeting resulted in an agreement that the dues of each member group is ten dollars per month.

James A. Venable announced he had obtained a lease on a small auditorium in Tucker, Georgia, to serve as a National Headquarters for the NKKKK. The lease runs for six years. He said the auditorium would be available to all member Klan groups for meetings, outings and rallies or any other Klan activity. All he asks is that the group using the auditorium pay for use of the lights, heat and telephone. He will pay for the rent himself. The building belongs to a client and Venable rents it for only \$15.00 a month.

Venable also announced that there will be a Klan School starting at the beginning of the first of the year at the auditorium in Tucker, Georgia, for all interested officers and members of member Klan groups. Classes will be taught by experienced Klan leaders having a good knowledge of Klancraft.
